MANTIS
E-CLASSIC

MANTIS E-Classic bicycle repair stand for public use with E-bike charging module. Equipped with high quality tools and pump.

MANTIS
CLASSIC

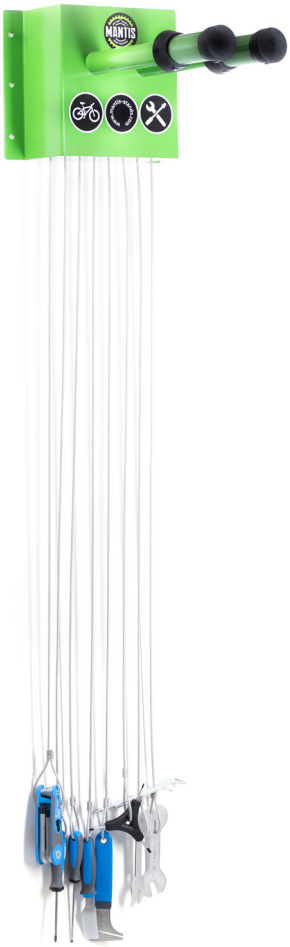
MANTIS Classic bicycle repair stand for public use. Equipped with high quality tools and pump.

MANTIS products are bicycle repair and support devices for use in public places: along bike trails, bike parks, campsites, in front of the hotels, city centres and other tourist destinations, especially popular with cyclists.
MANTIS repair devices are equipped with high quallity tools for basic repairs and a bicycle floor pump with gauge.

MANTIS
PARKAIR

MANTIS ParkAir bicycle parking rack with integrated MANTIS stainless steel pump.

MANTIS products can be painted in custom colours of your choice, with your brand name on desired spot. Specification of the tools is adjusted to your needs or the needs of **MANTIS** products users. The dimensions of the stand can also be adjusted to your wishes. We offer three different pump options - Standard indoor pump, Standard outdoor pump and special **MANTIS** Stainless steel pump.



MANTIS
